

But I was busy helping my own mother give a tea.
 She needed me very much.
 I am glad Simon was there to help carry the cross, Lord.
 There were so many things to do; I just could not make it.
 I would have liked to help,
 But I could not get away.
 That, woman, Veronica, was very brave to aid you, Lord.
 She could have been beaten by the soldiers.
 Many times I would like to do things for others,
 But I am afraid to get involved.
 It was nice of the women to be there to comfort you, Lord.
 Some people just seem to have more time.
 I was busy doing errands for my own children,
 Although I would have liked to help.
 I was very sad to hear of your death on the cross, Lord.
 The world needed you so much; there are so few good people.
 Then, I get too emotional at times like that.
 It was not good for me to see.
 I really intended to be there when they laid you in the tomb, Lord.
 It does not seem possible that Lent is over.
 I wanted to do so much, but have done nothing.
 Maybe next year, Lord.

Passion Week

The last week before Pascha is devoted to the commemoration of the last days of the mortal life of the Savior, His suffering, death and burial and is why it is called *Passion Week*. It is also called *Great* because of the significance and greatness of the events that occurred in it. "During this week", as St. John Chrysostom teaches, "the ancient tyranny of the devil is destroyed, death is trampled down, the powerful are in bonds and their weapons are destroyed, sin is expiated, the curse and opening to paradise is removed, heaven has ceased to be inaccessible, people came closer to the angels, the walls of division are broken down, the boundaries are seized. The God of peace has reconciled the heavenly and the terrestrial".

*Having Suffered the Passion for us, Jesus Christ,
 Son of God, have mercy on us!*

The End of Lent

I wanted to be at Your trial today, Lord,
But things went badly at work and I was too tired.
Had I been there, I would have spoken in Your behalf.
Sorry You got such a bad deal.
Your poor mother, how heavy her heart must have been, Lord,
Wish I could have been there to console her,
